

The Covina Youth Sports Program focuses on individual and team fundamentals through structured lesson formats. The child's enjoyment of sport is the highest priority. The Parks & Recreation Department's goal is to encourage the child's interest in sports and help them develop the necessary skills to feel good about being actively involved. This is not a traditional competitive sports league structure, but more of an instructional/recreational program. **LITTLE TOTS - Ages 3-4**

The Little Tots program provides 3- to 4- year olds with a fun and exciting non-competitive environment in which they can experience sports for the first time. Participants meet once per week for 45 minutes each class. Parent participation is required.

PEE WEE, JUNIOR, AND YOUTH

The Pee Wee (5-6 years), Junior (7-8 years), and Youth (9-11 years) Sports program provides instruction and fun for participants in a non-competitive atmosphere! Sessions are led by trained staff who will emphasize each child's individual skill development by raising self-esteem and developing a joy for the sport. The first four weeks of each program covers fundamentals, and in the last four weeks, teams are formed and games are played.
